## DREAM TEAM SET TO RETURN

### *Chrissy, Scott and Jon C. will lead Watitoh in 2008*

The makings of a great 2008 summer are already in place as our top leadership team will once again be returning at the head of the Watitoh staff. Head Counselors Chrissy Spark and Scott Rimer, and Waterfront Director Jon Colborn have all made their plans to return to camp; and the recent weeks have also brought word from many of our experienced counselors of their plans to be back as well. Mike Heverin, our popular Boys Group Leader and Head of Soccer will be back for his fifth Watitoh summer. Rick Jennings will also be returning, taking over as Drama Director.

Megan Schindler and Nicole Wilson lead the way on Girls Side. For Megan, it will be season number seven; and she will be organizing special events and evening activities, and assisting Chrissy in running Girls Camp. Nicole is returning for her fourth summer as a Group Leader and will also help out with tennis. Jean Hanley and Sarah Gable, both newcomers in 2007, are also planning to be back again.

Joe Greenbaum, now at Vanderbilt University, was first among the counselors to sign on for '08. Joe will once again be assisting with the tennis program. Ryan Pozin will be back as Group Leader for the Upper Senior Boys. Mark Warren, a veteran member of the waterfront staff, will be back for his third summer.

### **REUNION A GREAT SUCCESS!**

Watitohans from far and wide braved an early season snow storm on Sunday, December 2 to get together for our all-camp winter reunion in New York. All age groups were well-represented as campers from Boston to Bermuda spent the afternoon reminiscing with friends and watching a terrific slide show of the 2007 season.

Boys Head Counselor Scott Rimer was the "surprise guest" of the day as he traveled all the way from Dennison, Ohio the day before to be at the reunion. Everyone agreed that the reunion was a big success and is sure to become an annual tradition for years to come.
